

The 2nd International Congress on Clinical Trials on Cannabis

15-16 February 2023, London, UK

Dear Valued Supporters,

On behalf of David Meiri and Haggai Sharon, Congress Chairs and Congress Organizer, Bioevents, we take great pleasure in inviting your support to International Congress on Clinical Trials in Cannabis (**CT-Cann2023**).

CT-Cann2023 is an international meeting that will bring together leading researchers, clinicians, industry professionals and other related experts to discuss ways of improving current research strategies in this rapidly evolving field. We will touch, among other things, on basic and clinical methodologies, regulatory and legal issues, pharmacological considerations, and technological advancements related to cannabinoid administration.

The prospectus outlines the sponsorship and exhibition opportunities available at the Congress and bespoke packages are also available upon request.

We look forward to welcoming you as a valued Sponsor and Exhibitor in London!

Kind Regards,
